Painted Carbon

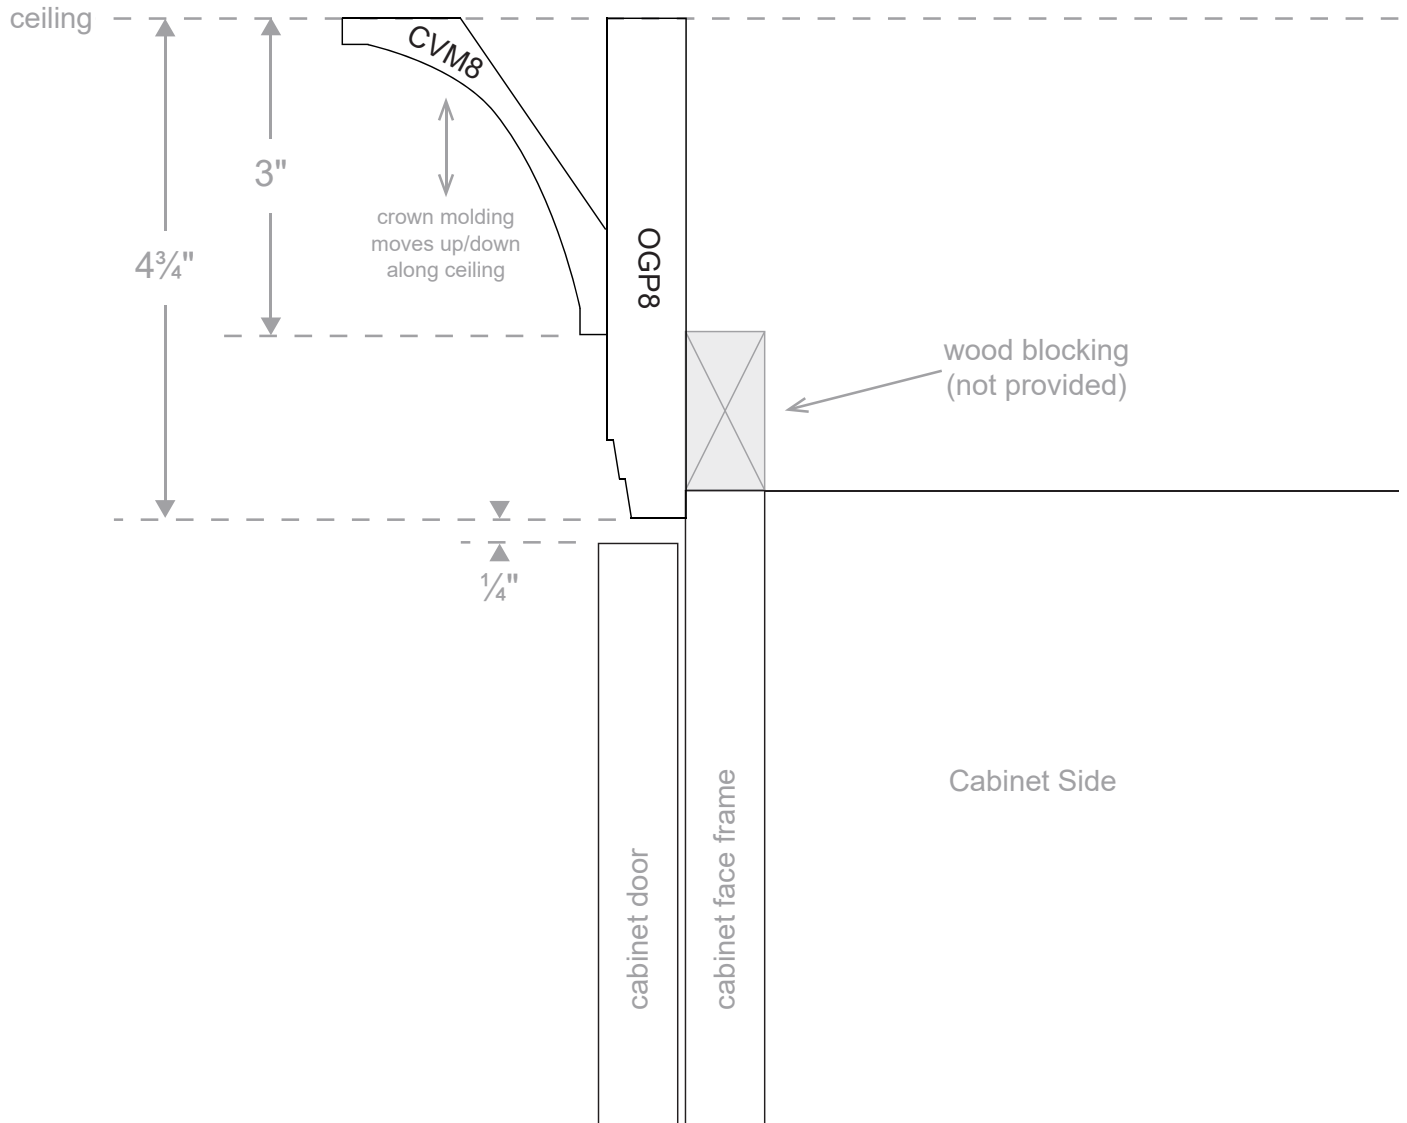

Left drawing is only used as example. Appliances are used as representations and are not actual models. Lower right drawing provides cabinet opening dimensions. 'B' maximum vertical dimension is 52" based on installation requirements of appliances.

Interior supports not provided by CliqStudios as all appliance manufacturer's install requirements vary.

**WARNING!**  
Confirm manufacturer dimensions, specs and required support materials before purchasing and/or altering cabinet.

## Thank you for choosing CliqStudios for your cabinetry project!

At CliqStudios, we understand that remodeling projects can be stressful, time consuming, and may disrupt areas of your home that you rely on. In our experience, making sure that you are aware of what to expect is the most effective way to navigate the process as smoothly as possible.

### Measurements

You have provided, and are responsible for, all measurements. Please verify all dimensions prior to the purchase of your cabinets:

- Appliances
- Ceiling and/or soffit heights
- All drawings, renderings and design information provided by designer
- Window/Door dimensions and location
- Special considerations & obstructions

Any changes made after the order has been placed will be subject to a 25% restocking fee and additional shipping charges. [Visit our website for more information on our Return Policy](#)

### Installation

Do not begin demolition of space or existing cabinetry prior to receipt and inspection of your new cabinets, as missing or damaged parts may delay your installation. Any install delays, trip charges, contractor fees, etc. due to pre-scheduling your installer are your responsibility. CliqStudios is not liable for these costs, and has recommended against installation prior to inspection and receipt of all original and replacement orders.

### Wood & Finish Characteristics

Wood is a product of nature with different grain patterns, color variations, aging patterns, and mineral streaks which add to the beauty and distinction of natural hardwood products. These wood variations are not considered a defect and will not be subject to warranty replacement. Painted Cabinets may require additional maintenance. Over time, painted finishes will develop hairline cracks from the results of natural expansion and contraction of the wood.

[Visit our website for more information on finish characteristics](#)

## Standard Delivery

Standard Home Delivery order will be shipped to a location accessible by a pallet jack to the first secure, dry area (usually a garage), on the same level as the truck tires. If Standard Home Delivery cannot be accommodated please contact your designer before purchase to arrange for Limited or Restricted delivery; additional charges will apply. Cliqstudios.com will notify you once the order has left our facility via email. You will be contacted to schedule an eight (8) hour delivery window directly by the delivery carrier. Shipments may be delayed due to weather, mechanical issues, holidays, or othersituations relating to delivery coordination. standard deliver

If you haven't already please take the time to view our video which outlines what to expect and easy things that you can do to make the delivery and receipt of your cabinet order go as smoothly as possible. [Visit our website to view deilvery video](#)

## Order Receipt & Inspection

Once order has been received promptly inspect for any damaged or missing items. You have 30 days to report any damaged or missing items. If you have any damaged items you will need to contact Customer Service as soon as possible. Replacement orders ship with priority.
