444 Unit Hook and Peg Explanation

Explicación de los ganchos y colgaderos de la unidad 444

Description du panneau à crochets et taquets 444

The 444 Series come with a variety of hooks of different lengths for many uses.

Utilize the shorter hooks at the top of the unit will allow items to be stored higher on the panel. Also included are pegs to help keep items from swinging during opening and closing.

La Serie 444 se envía con una variedad de ganchos de diferentes longitudes para múltiples usos. Los ganchos más cortos en la parte superior de la unidad permiten almacenar artículos a mayor altura en el panel. También se incluyen colgaderos que evitan que los artículos oscilen al abrir y cerrar.

La série 444 est fournie avec un jeu de crochets de longueurs variables à fonctions multiples.

L'usage des crochets plus courts en haut du panneau permet de suspendre des articles à la partie supérieure du panneau.

Le panneau comprend des taquets qui stabilisent les articles suspendus au cours de l'ouverture et de la fermeture.
